Plato Llano	Plate Plate	Assiette Plain 

A white ceramic plate and a matching shallow bowl, both featuring a decorative border with a repeating geometric pattern in blue, brown, and gold. The plate is shown from a top-down perspective, while the bowl is shown from a side-on perspective, highlighting its shallow depth. The pattern consists of interlocking lines forming a series of small, stylized shapes, possibly representing a traditional Islamic or Persian motif. The background of the plate and bowl is a plain, off-white color.

A photograph of a rectangular, light-colored object, possibly a book cover or a piece of paper, featuring a central, intricate, multi-layered geometric pattern in blue and brown. The pattern is surrounded by stylized, symmetrical floral or foliate motifs in brown. The object has a slightly worn, aged appearance.

A rectangular panel with a central star-shaped medallion. The medallion is composed of multiple concentric layers of geometric patterns, primarily in blue and gold. It is flanked by stylized floral motifs in gold and blue, set against a light background. The entire panel is enclosed in a simple rectangular border.
